

Vice Captain (Captain-elect) 2026

It gives me great pleasure to confirm that Freer Boddy has accepted the invitation to be my nomination for Vice Captain of Cave Castle for 2026.

When elected, I am sure that you will join with me in wishing Freer every success and that together with the support of the 2026 Committee and Cave Castle Management, we can all look forward to a full programme of events both on and off the course.
