

2026 Men's Knockout Competition rules

The men's Matchplay competitions have been drawn. Please ensure all match results are concluded within time frames. The poster is on the notice board in the men's changing room and the website. The winning person/team should put the final match result on the poster please.

Arranging matches

As soon as it is known who the opponents are the person/team named first in the tie should make contact.

The person/team should give their opponents 2 dates. If the opposition are unable to play on either of those dates, they should provide a further 2 alternative dates. If it is not possible to agree a date and the match cannot be played by the final date for the round, **BOTH PERSONS/TEAMS WILL BE ELIMINATED**. It is expected that members will be capable of reaching an amicable solution that meets the needs of both parties.

Should a person/team fail to attend on the agreed date and time, that person/team will be eliminated and the other person/team will go through to the next round.
